The Yeshiva Hockey League B is an exciting full hockey season. The program begins October 25th and concludes January 17th. It is open to boys in grades 3 through 5 who have since completed a previous Yeshiva Hockey program. In addition to regular games, the program includes team practices. These are sessions where teams will train together and work on the skills needed most by their team. The final week consists of a championship game for the two highest ranking teams. Teams will be formed through an initial assignment under the discretion of the directors and coaches. All attempts will be made to maintain a balanced and competitive league. The number of participants per team is limited to maximize active game time per player. Parents will be notified of team placement prior to the start of the first game.
